ABOUT US

Taurus Group is a distinguished manufacturer and exporter of premium calf and cow leather, based in Ranipet, Southern India, with a rich heritage spanning four generations. **In 1952, Mr. Sambanda** began trading leather and established a small tannery named “Samco.” Building on this strong foundation, **in 1986, our founder, Mr. M.S. Gunasekaran**, son of Mr. Sambanda, with 30 years of experience in his parent company, Samco, took a bold step forward by establishing his own company, marking the beginning of a new chapter in the family’s legacy.

From these modest beginnings, we have steadily grown and diversified into multiple sectors, including finished leather, leather goods, accessories, furniture, and Footwear. Today, our factory spans an impressive **200,000 square feet of built-up area**. We pride ourselves on our unwavering commitment to quality and timely delivery.

Now led by the fourth generation, Taurus Group continues to carry forward its legacy of craftsmanship, innovation, and excellence while embracing modern technology and sustainable practices.

Taurus Group now operates and owns three distinct entities:

- **Guna Taurus India Pvt. Ltd:** specializing in finished leather
- **Mother Impex** is focused on leather bags, wallets, belts, and footwear
- **HedonHomes**, dedicated to the manufacturing of furniture and home furnishings

TANNERY OVERVIEW

- The factory is equipped with a modern leather processing machine.
- For the modernization of our plant, we have invested around 1.5 Million euros in the latest technology tanning machines, and infrastructure development for the last 4 years.
- Clean environment with greenery.
- The factory has state of the art of effluent treatment plant.
- Abundant water and power are available.
- The operation process is managed by using an ERP treatment plant.
- The raw material is imported as well as sourced locally

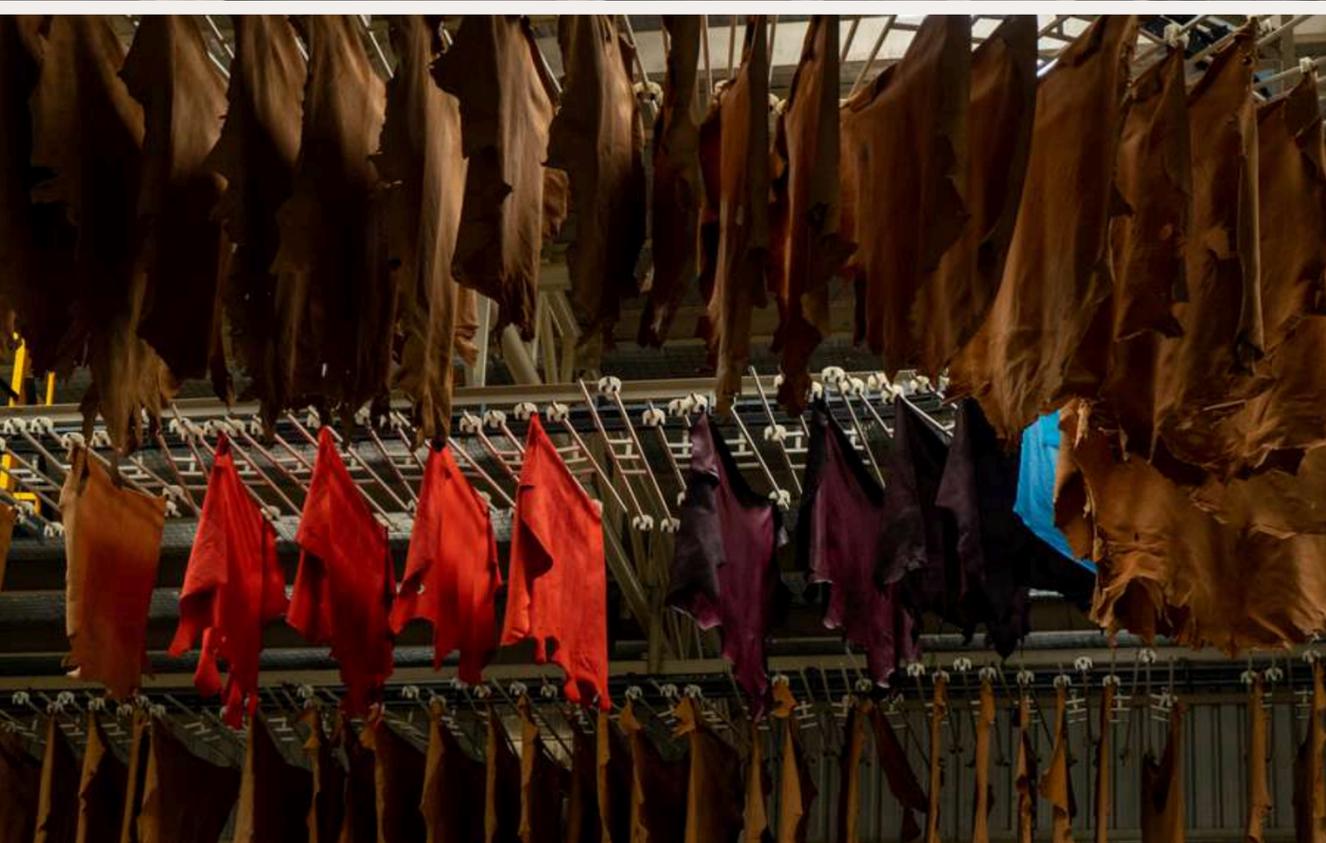

Heritage. Excellence. Innovation

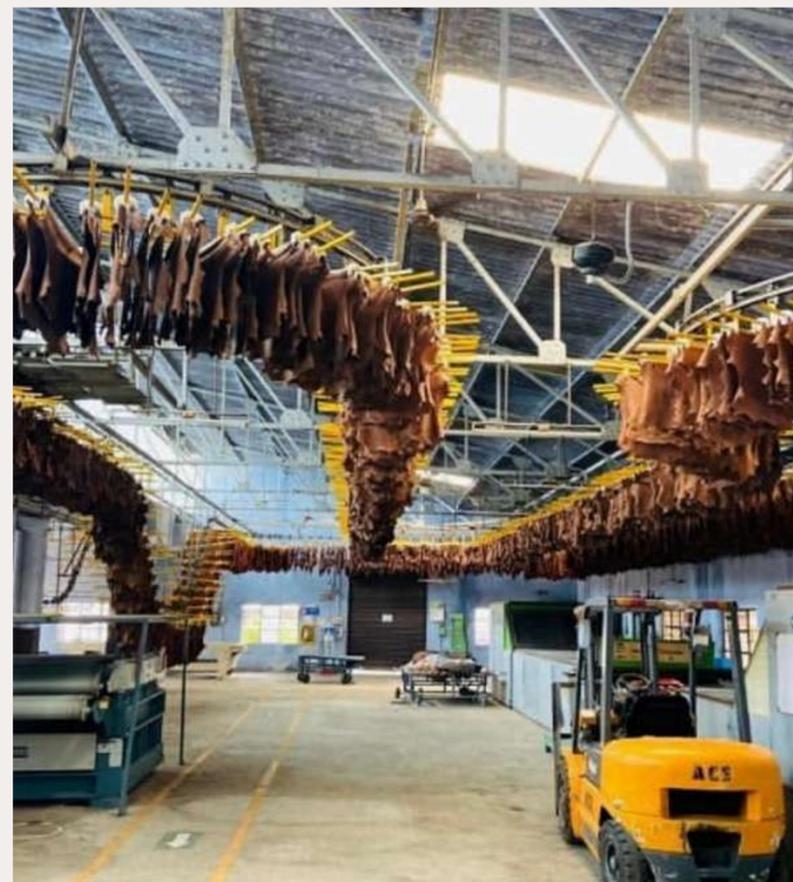

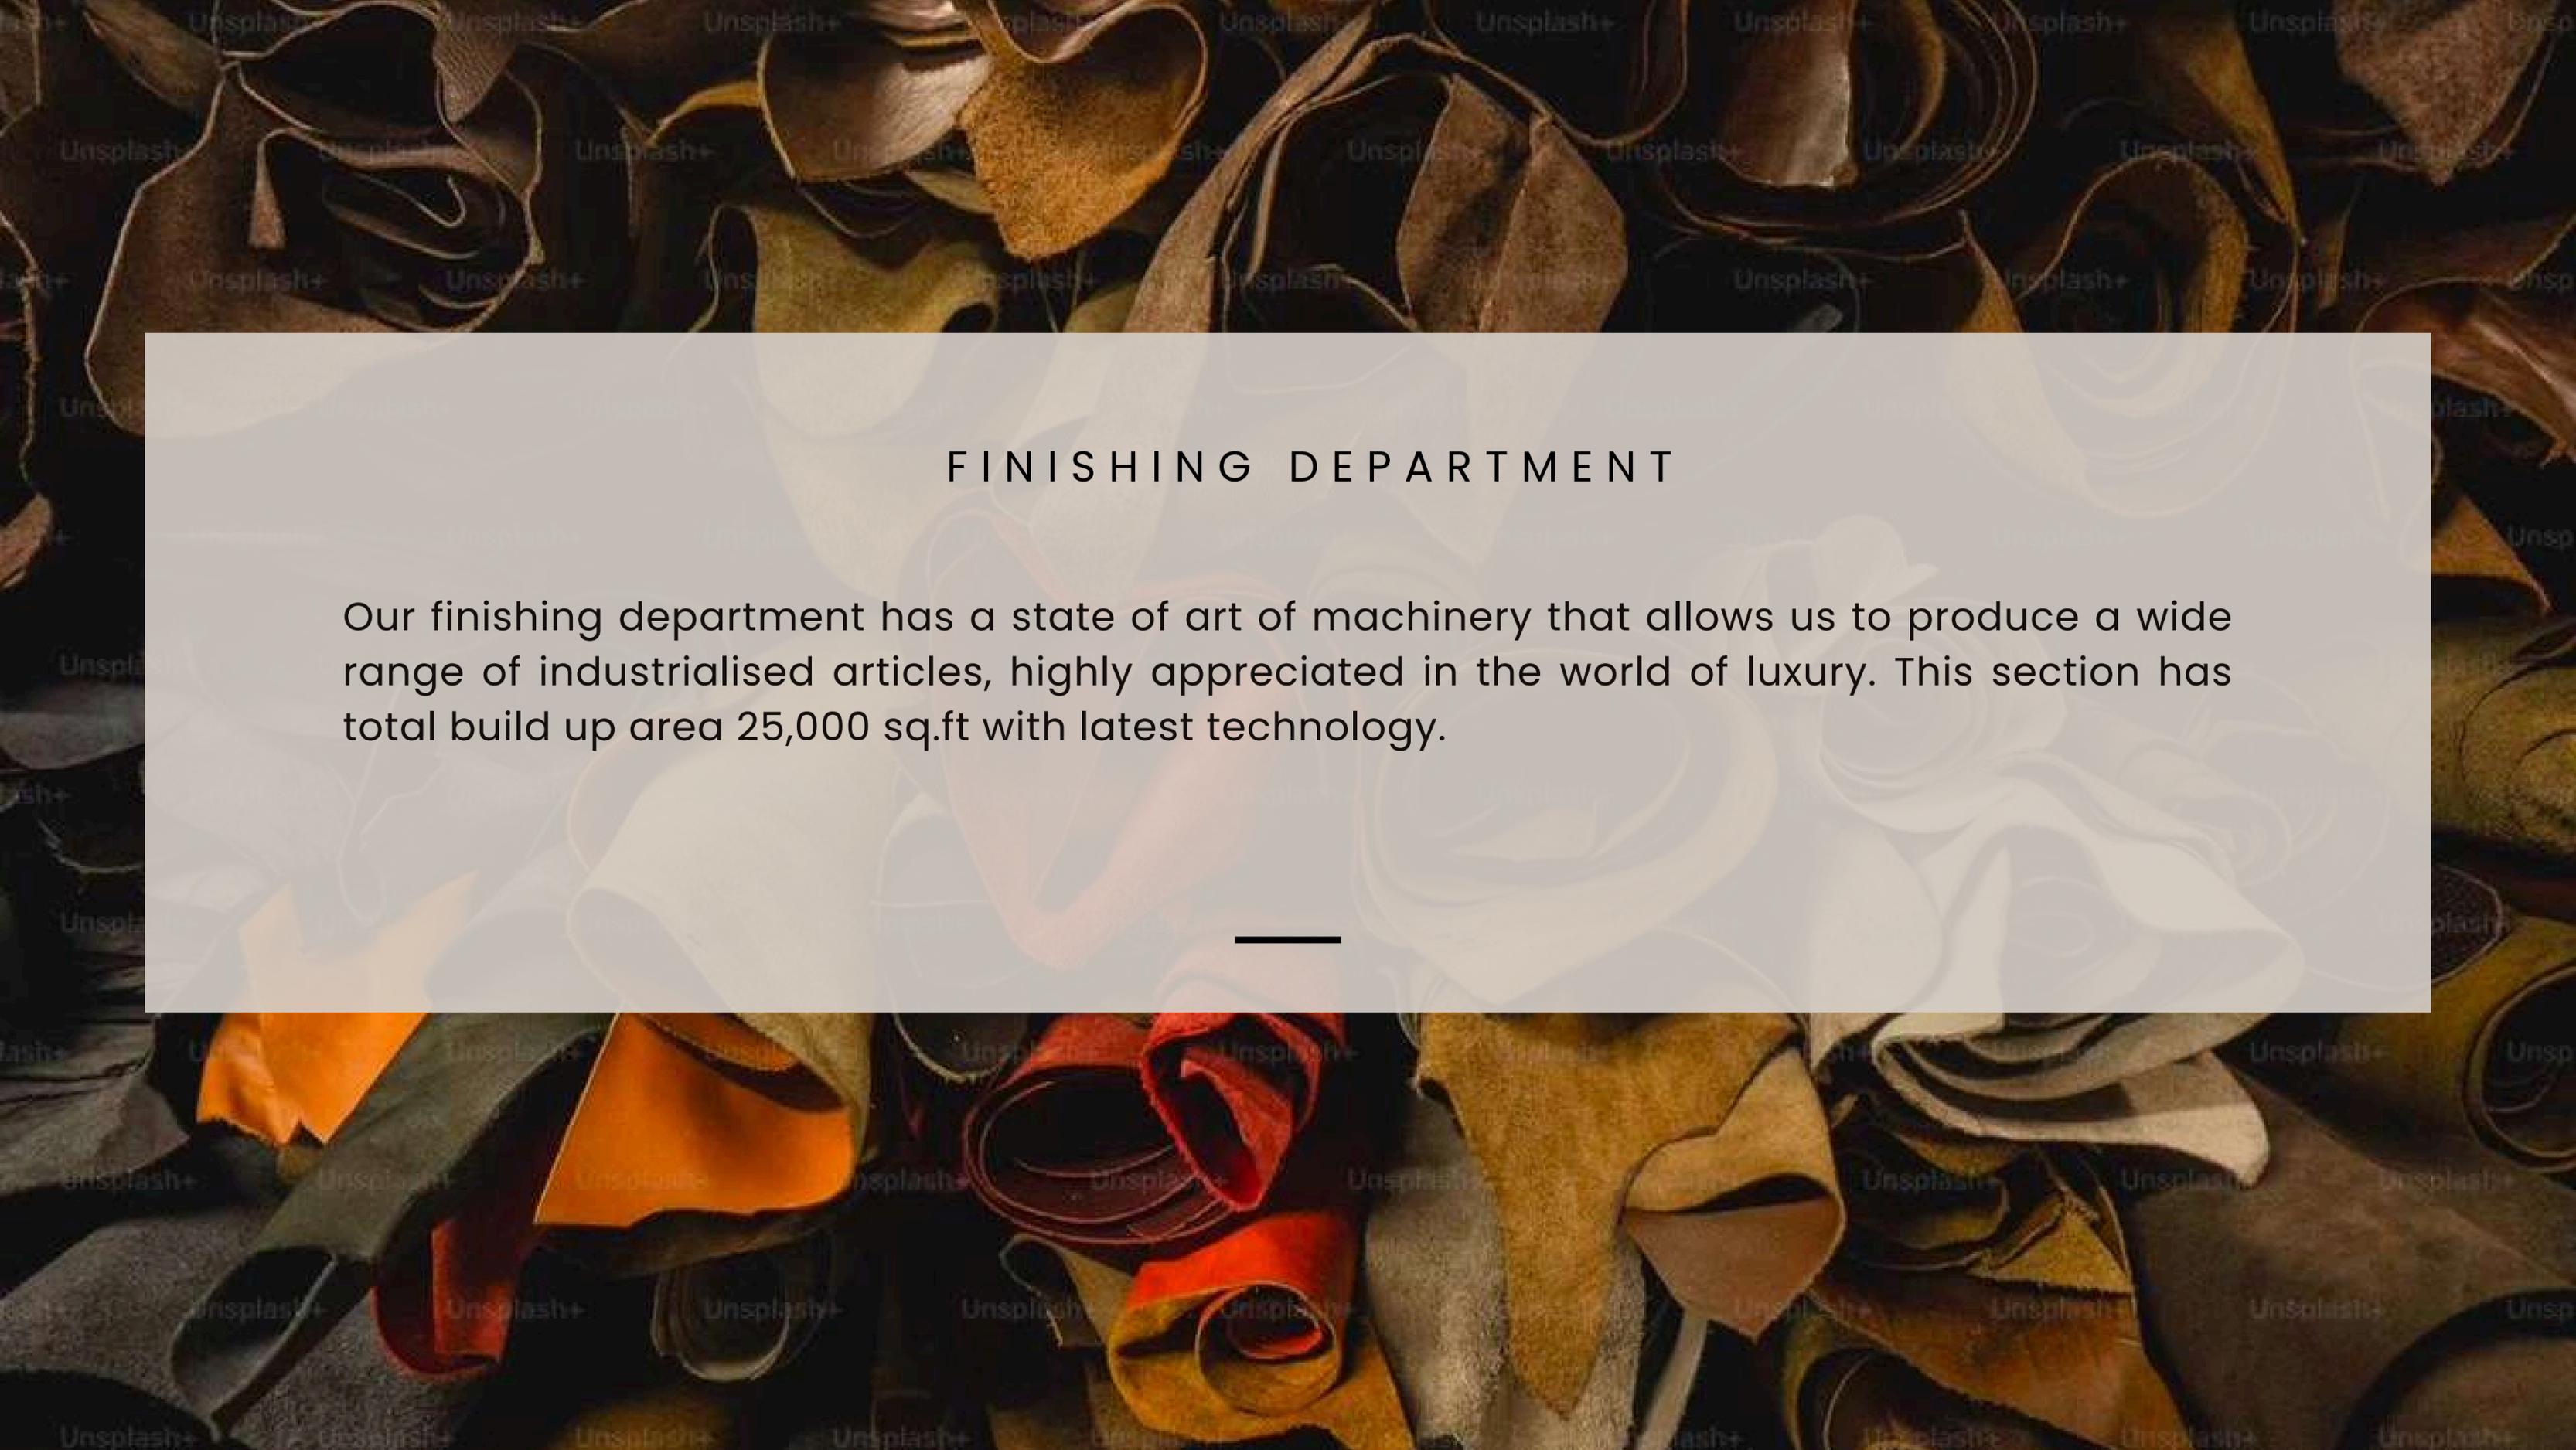

INFRASTRUCTURE

WET END DEPARTMENT

Taurus has total control over the management of its tanning and dyeing stages. Our wet department is entirely manual and that enables us to program and control in detail the undergoing of each drum. The section has a total build-up area of 25000 sq.ft with the latest technologies.

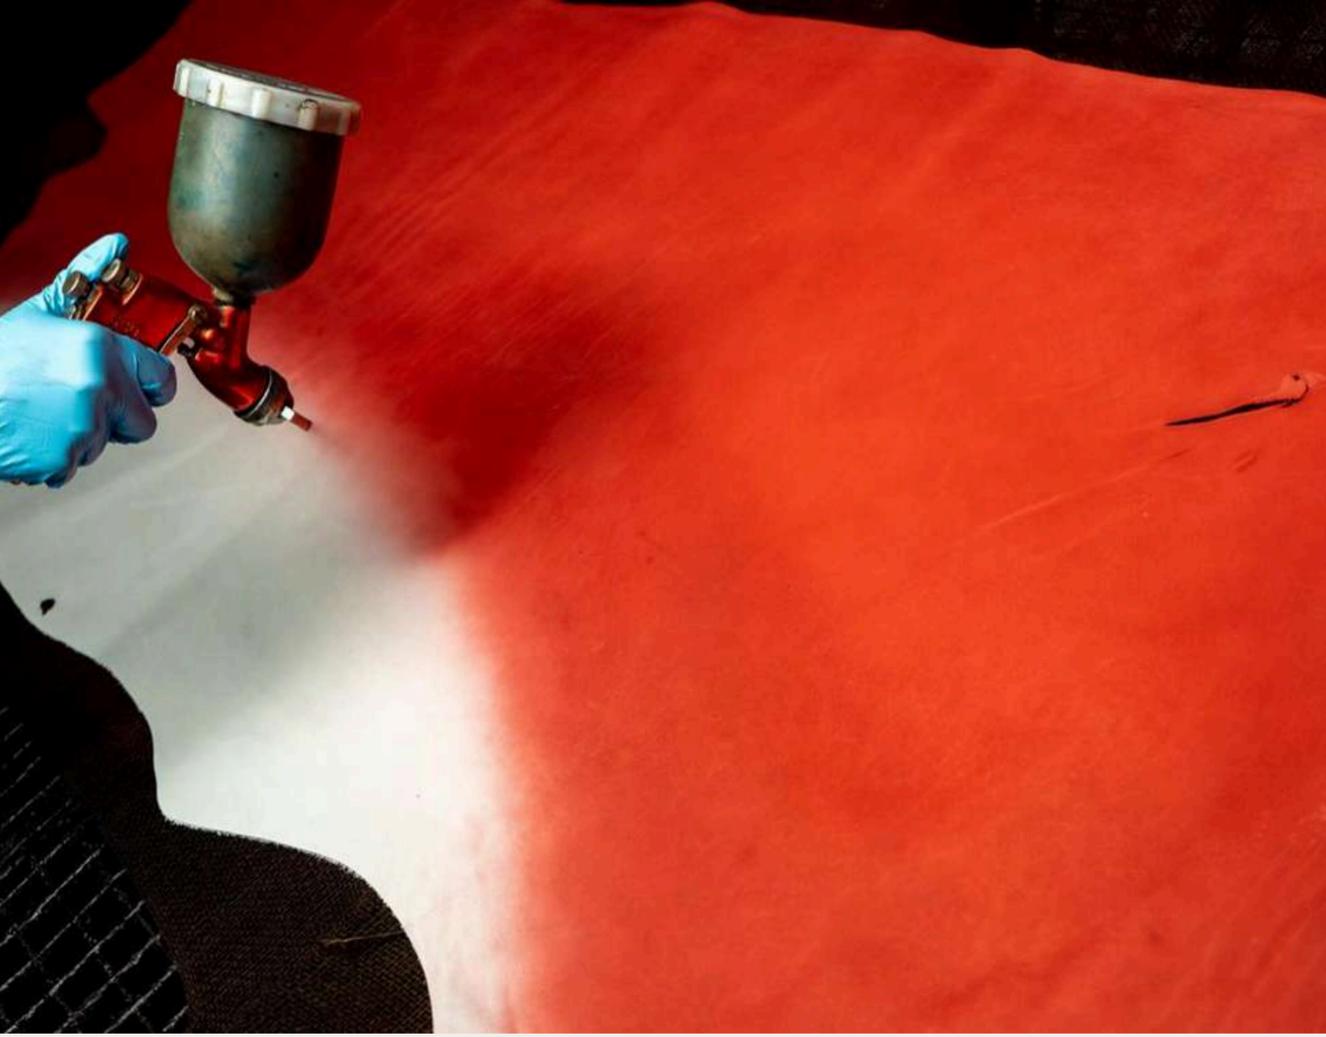

FINISHING DEPARTMENT

Our finishing department has a state of art of machinery that allows us to produce a wide range of industrialised articles, highly appreciated in the world of luxury. This section has total build up area 25,000 sq.ft with latest technology.

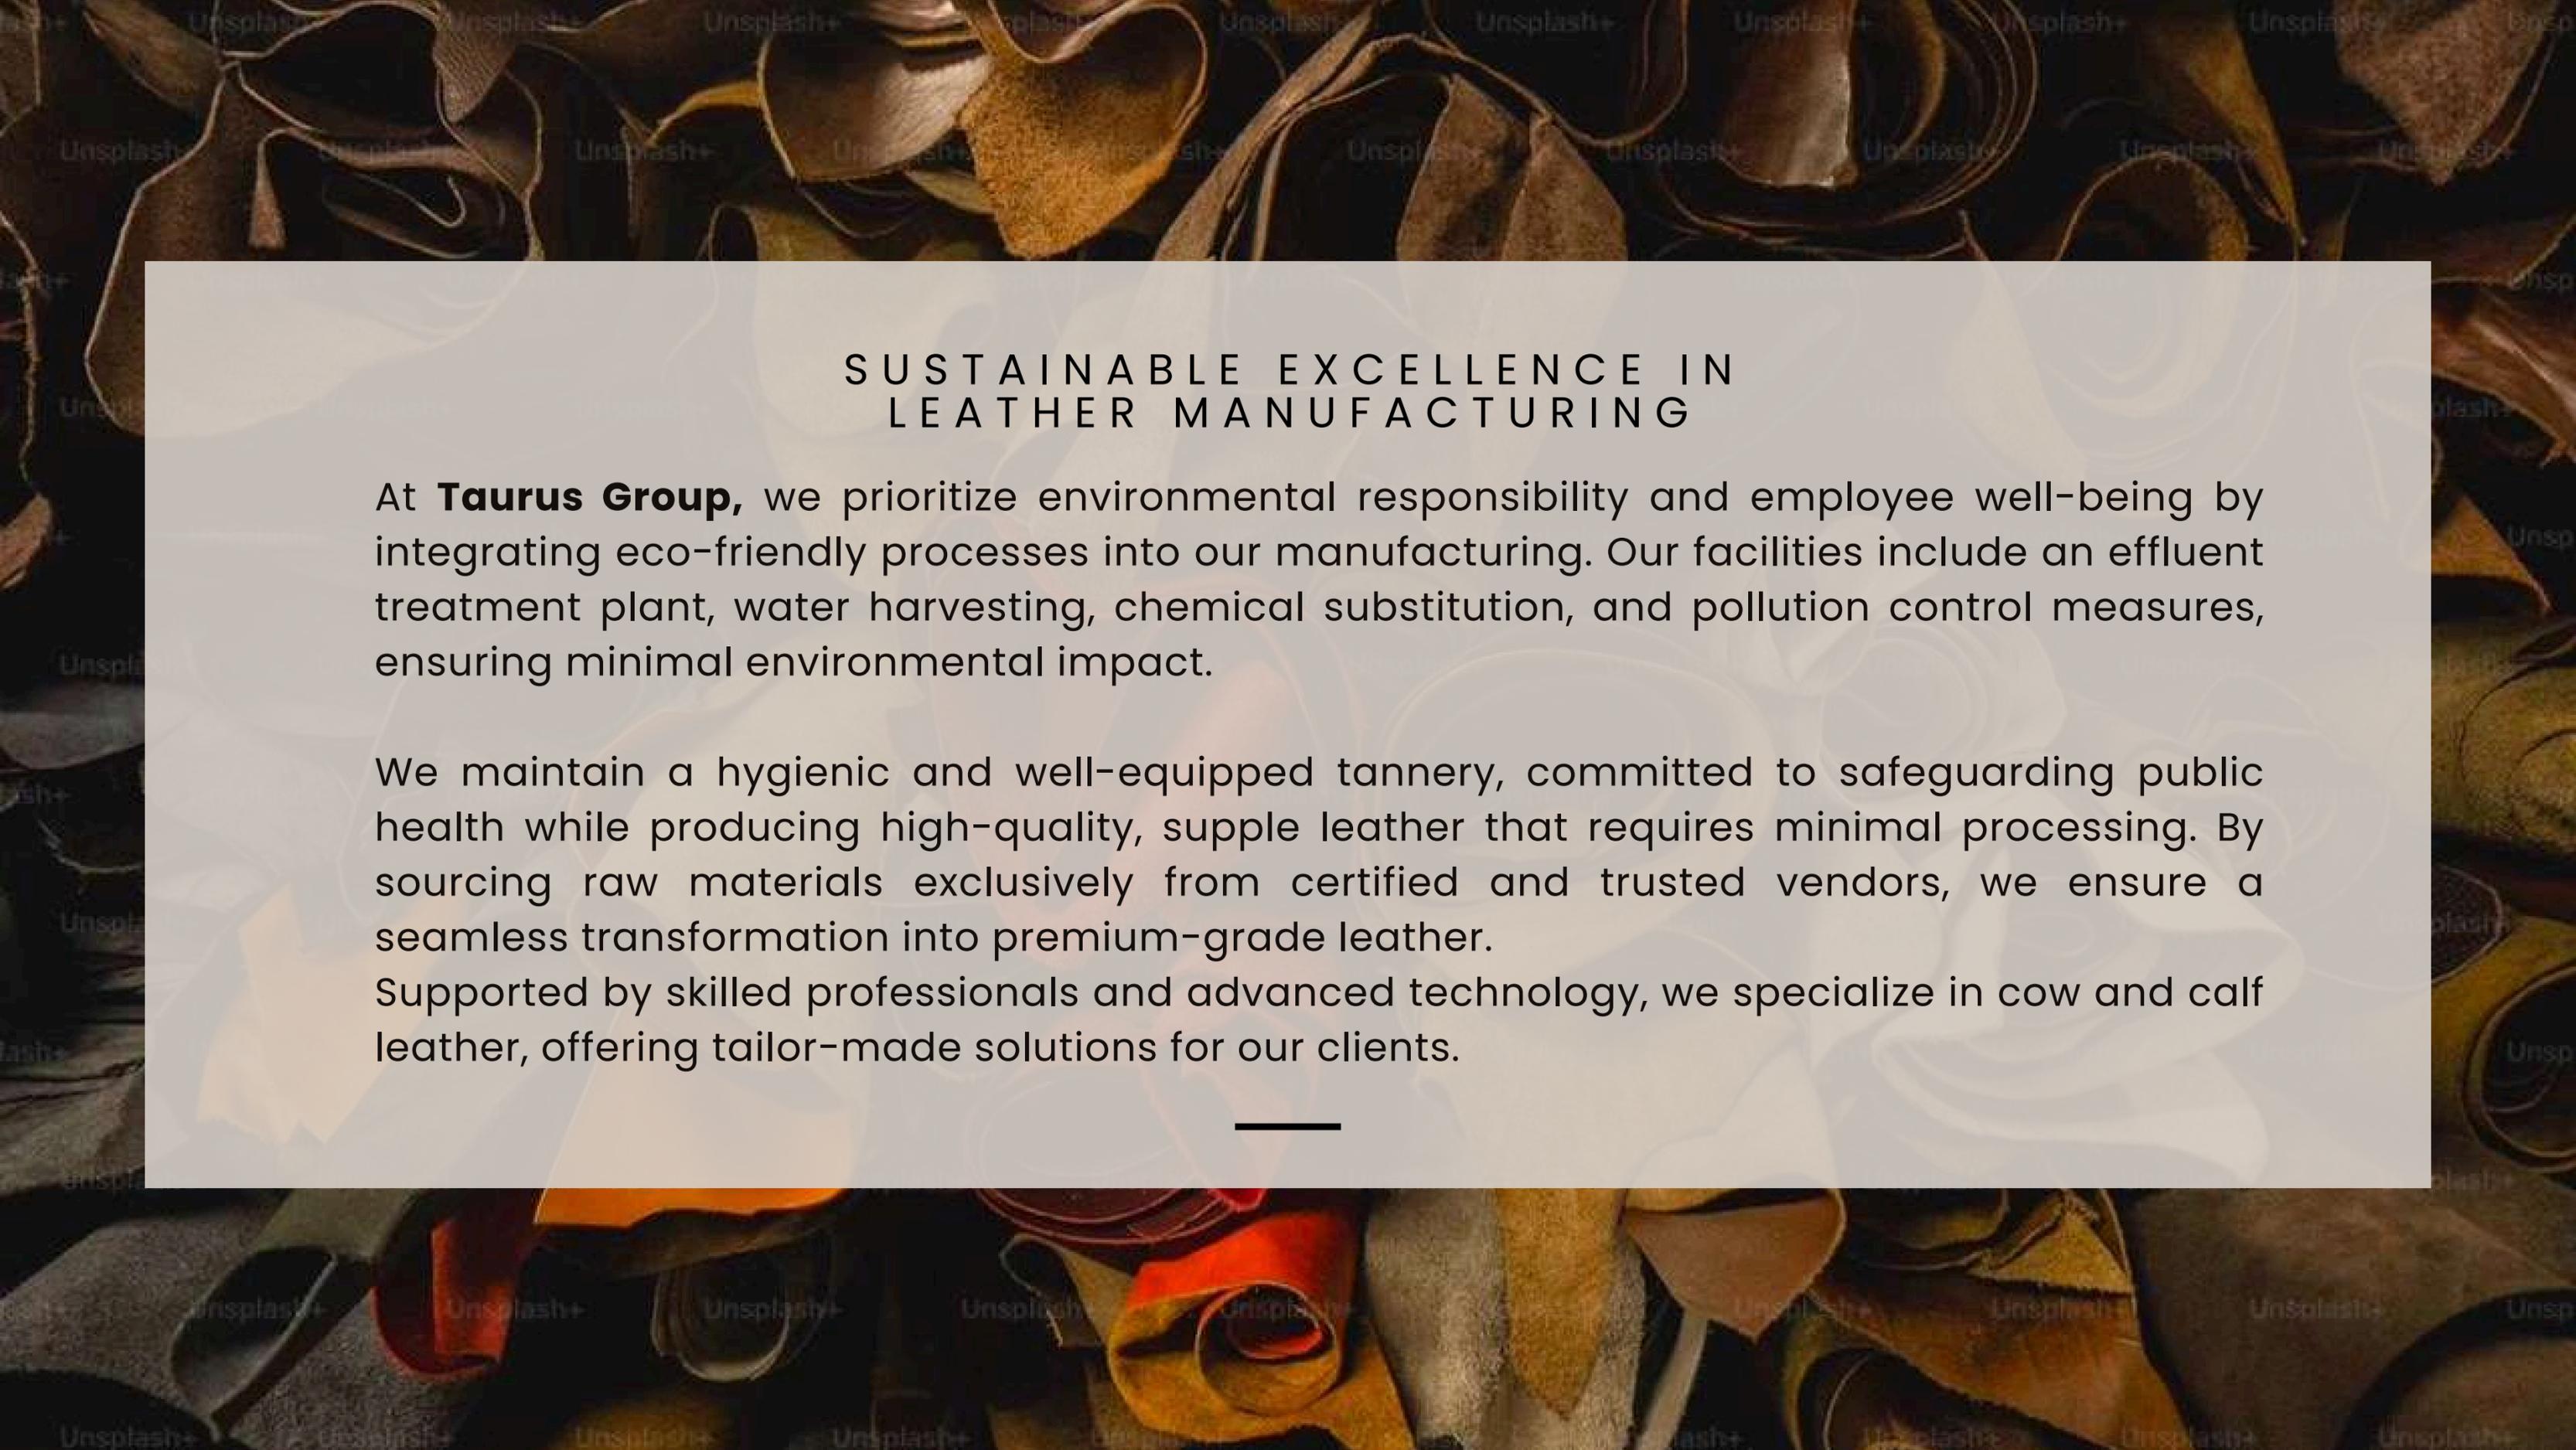

WAREHOUSE AND PACKING DEPARTMENT

Our warehouse located in a strategic position in the production process(Wet blue/ crust/ pre-finishing) enables us to respond to any of our customer's requests promptly and to manage our orders faster. This section has a total build-up area of 20,000 sq.ft.

SUSTAINABLE EXCELLENCE IN LEATHER MANUFACTURING

At **Taurus Group**, we prioritize environmental responsibility and employee well-being by integrating eco-friendly processes into our manufacturing. Our facilities include an effluent treatment plant, water harvesting, chemical substitution, and pollution control measures, ensuring minimal environmental impact.

We maintain a hygienic and well-equipped tannery, committed to safeguarding public health while producing high-quality, supple leather that requires minimal processing. By sourcing raw materials exclusively from certified and trusted vendors, we ensure a seamless transformation into premium-grade leather.

Supported by skilled professionals and advanced technology, we specialize in cow and calf leather, offering tailor-made solutions for our clients.

COLLECTION

Our leather collection embodies a perfect blend of heritage craftsmanship and modern innovation, offering premium-quality leather in a variety of textures, finishes, and rich hues. Our collection ensures durability, suppleness, and luxury, making it ideal for high-end fashion and accessories. To explore more of our collection, please visit our website: www.gunatarusindia.com.

LEATHER GOODS & ACCESSORIES

MOTHER IMPEX

- Founded in **1994** by **Mr. Bhuvan Kumar**, son of our founder, GKK Exports evolved into Mother Impex with a clear vision—to deliver world-class leather craftsmanship to markets around the globe.
- Over the years, we have proudly manufactured for a wide spectrum of clients—from renowned international brands to niche boutique labels across the world.
- We specialize in a wide range of leather goods, including: Leather bags for men, women, and children, Leather wallets and Leather belts.
- As a professionally managed organization, we maintain a strong technical infrastructure and streamlined production processes.
- We place a strong emphasis on design innovation and product development, operating a fully-equipped design studio with a talented team of five in-house designers dedicated to creating original, market-ready products.
- Our highly skilled sample and development team brings precision, speed, and creativity to every prototype.
- Known for our craftsmanship, quality, and reliability, Mother Impex has built a solid reputation in the leather industry

BEST QUALITY

Mother Impex is renowned for its unparalleled craftsmanship, setting the gold standard in leather goods manufacturing. With meticulous attention to detail and precision at every stage, from Providing the finest leather to employing skilled artisans, each product reflects the company's unwavering commitment to excellence. With a rich tradition passed down through generations, Mother Impex continues to redefine quality in the industry, earning acclaim for its exceptional artistry and dedication to perfection.

CUSTOM – MADE

Mother Impex offers bespoke manufacturing services tailored to clients' unique specifications and branding needs. With expertise in custom leather goods creation, the company collaborates closely with clients throughout the process, ensuring each piece embodies the brand's identity. By seamlessly integrating brand aesthetics with premium materials, Mother Impex delivers authentic and distinctive leather goods. From exclusive collections to personalized accessories, the company's dedication to precision guarantees exceptional creations that leave a lasting impression on discerning clientele.
